

Brought us out of Egypt  
Then He split the waters  
Sing it out now!

Led us through the desert  
Brought us to the mountain  
Halleluyah!

Gave to us the Sabbath  
Gotta keep it holy  
Let me hear ya!

Gave us all the Torah  
Each and ev'ry mitzvot  
Got tsu danken!

Brought us to a new land  
Filled with milk and honey  
Sing it louder!

Taught us how to Love Him  
And to love each other!  
Amen, amen, amen!
